

AFTER SCHOOL RECREATION FOR STUDENTS IN ELEMENTARY SCHOOL

The City's after school program promotes positive youth development and helps support the needs of families in Dublin. After School Rec is for children in elementary school, in Grades 1 to 5 (no Kindergartners). Programs are held at Kolb, John Green, Dougherty, Dublin, Frederiksen and Murray Elementary Schools in Dublin, and run every day from the time school gets out until 5:45 PM, including minimum days. **Please note:** After School Recreation does not operate when there is no school.

A variety of group and individual activities and indoor/outdoor games are all a part of these programs. Staff schedules quiet time each day for students to complete their homework. During homework time Recreation Leaders are available to assist children with their assignments. Each site is supervised by at least two trained Recreation Leaders certified in First Aid and CPR.

Quick Start Tennis

Quick Start Tennis works by getting children involved in the game immediately. Specially designed portable net systems and color-coded balls created by the USTA (United States Tennis Association) have revolutionized the game for beginning players. Within the first hour of stepping onto the court, children are playing the game, rallying with one another, moving around the court, and having fun. Scaling the game and court down to their size helps make the learning process easier and more fun. These classes give children confidence by seeing their own immediate progress, making them more enthusiastic about continuing to play and improve. Instructor/student ratio for Regular Groups is 1:6, and 1:3 for Small Groups. **Please Note:** Green Level classes aim to prepare players to enter the Tournament Level Novice class. These classes are for players seeking a more competitive direction. *Instructor: Arora Tennis*
